MEMORANDUM FOR: Associate Deputy Director for  
Intelligence

THROUGH : Acting Director of Strategic  
Research

SUBJECT : Clearance to Participate in a  
Seminar

1. Major General Harold R. Aaron, Assistant Chief of Staff for Intelligence, United States Army, has invited me to make a presentation of 20-30 minutes at a conference on "Perspectives on Strategic Intelligence and National Security" covering political-military relations in the Soviet Union. The conference will take place on 24-25 June; my presentation will be delivered on 24 June. The proceedings of the conference will be unclassified and a large body of guests in addition to speakers will attend. (I believe I heard 100 or so.)

2. Attached (Tab A) is a draft which will provide the basis for an unclassified presentation. I have checked to see that all factual statements and inferences are supportable by information available in the public domain.

3. Also attached (Tab B) is a simple chart depicting the Soviet defense establishment. When originally prepared, this chart was classified SECRET, but I find that its contents may properly be considered unclassified and would like to use the chart to support my presentation. Tab C includes General Aaron's invitation and the latest version of the proposed agenda I have received.
